

**Bio:**

**Dr. Cyrus Ghaemi, DO**, *Physician and Chief Clinical Officer, Traverse Health Clinic & Coalition*. Dr. Cyrus Ghaemi attended Michigan State University's College of Osteopathic Medicine. He completed his Family Medicine Residency at Munson Medical Center, where he assisted in organizing, reviewing, and evaluating the Fruit & Vegetable Prescription Program, which was piloted at the Munson Family Practice Center and has since expanded to other clinics in the area. Dr. Ghaemi hopes to continue increasing access to healthy and nutritious food in the region as part of a larger community health improvement program.
