

Haley Bennett, MSW, *Director of Community Partners at Taste the Local Difference*. Haley's passion for farm-to-school led her to help advance the 10 Cents a Meal program statewide. She has experience working across sectors, including serving as Governor Whitmer's Community Affairs Liaison for the northern lower region. In her current role, Haley builds relationships with businesses, nonprofits, government agencies and other strategic partners across the state and oversees grant projects that connect consumers to healthy, local food.
