

Melanie Wong, RD, *Farm to Early Care and Education (ECE) Specialist at Groundwork Center for Resilient Communities*. Melanie Wong's work focuses primarily on supporting the communication and outreach efforts for 10 Cents a Meal, Michigan's local food incentive program, and working to assist with the expansion of the program to early care and education sites. Melanie also serves as a member of the Kent County Food Policy Council in Grand Rapids, Michigan where she lives and works remotely. She loves growing, cooking, and eating food, and exploring the world both close and far from home.
