Jane Rapin RD, CDE BIO

Jane Rapin is a Registered Dietitian and Certified Diabetes Educator with a career in the nutrition field for over 20 years. Jane has a wide range of public health, clinical and diabetes knowledge. Her current roll at MSU Extension has provided an opportunity to share her knowledge with a diverse population. Jane loves helping others learn new skills that will empower them to try new foods and look at familiar ones in a healthier way.

MUNSON HEALTHCARE

2017 Disclosure of Relevant Commercial Relationships

We are pleased that you are willing and able to participate as a Committee Member, author, planner, and/or faculty for one or more of our CME Activities at Munson Medical Center.

Munson Medical Center has implemented a process by which everyone in a position to influence/control the content of any educational activity has disclosed to us all relevant financial relationships with any commercial interest (see below for definitions).

Planner/Faculty/Presenter/Reviewer/Author/Contributing Participant: Jane Rapin RD CPE

SECTION I: NO relevant financial relationships to report in the past 12 months. [X] I and/or my spouse/significant partner/immediate family member HAVE NO relevant financial relationships with any commercial interests to disclose.

SECTION II: Financial relationships with defined Commercial Interests in the past 12 months. [] I and/or my spouse/significant partner/immediate family member HAVE relevant financial relationships with any commercial interests to disclose. Table with columns: Commercial Interest, What I received, My role.

SECTION III: FACULTY AND SPEAKERS ONLY. Will your presentation include discussion of investigational or unlabeled uses of a medical device or pharma? [X] No [] Yes. [X] I will disclose verbally or in writing that the use or indication in question is not currently approved by the FDA for labeling or advertising.

[X] I agree to provide a balanced presentation that is free from commercial bias or financial interest for or against any commercial product or service. I agree that all scientific and clinical research used to justify patient care recommendations will conform to generally accepted standards of experimental design, data collection, and analysis.

Date: 8/10/17 Signature: Jane Rapin RD CPE

Commercial Interest: The ACCME defines a "commercial interest" as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interests.
