## Professional Experience

07/2016-09/2023

### **Chief Medical Officer, Munson Healthcare**

Lead physician executive for 1000+ physicians and APPs, both employed and affiliated in 8 hospitals, with combined 970 beds in a 24 county region in northern Michigan. Responsible for leading system initiatives to ensure standards around physician and APP recruitment, credentialing and privileging, CME, communication and leadership development. Provided oversight and direction for clinical quality, safety and implementation of evidence based standards. Administrative lead for service lines across the system, as well as an MSU GME family practice residency. Administrative lead of the system Community Health Foundation. Successfully lead MH through the pandemic as the sole inpatient and often outpatient medical provider across N. Michigan – established quickly adaptable governance and clinical decision making, while coordinating with local and state health departments. Also served as the spokesperson for the system through multiple written, audio and visual mediums.

10/2011-06/2016

### **Chief Medical Officer, North Region**

McKay Dee Hospital, Intermountain Health Care

Lead physician for 1000+ physicians and APCs, both employed and affiliated, in 4 hospitals, with combined 500+ beds in a geographic region of a 22 hospital system. Responsible for physician and APC credentialing and privileging, clinical quality, metrics and service (VBP, SCIP, meaningful use, HCAHPS), clinical program implementation (quality and standardization) and physician alignment with Lean; administrative lead for a family practice residency program. Co-chair of regional shared accountability and zero harm committees. Successfully lead physicians in recent EMR rollout simultaneously for inpt and outpt areas and actively working on bringing the region to meet the standards of a high reliability organization.

8/2008-10/2011
